### Reserving Your Private Party

Please contact us with your inquiry through our site at: <http://aydzn.com/contact/>

Please indicate the date, time, and number of participants that you would like to reserve a private party for and any questions you may have. We will review and respond to your inquiry within 1 business day.

***Please Note:*** *We do not offer classes on Saturday's between noon-6:30pm.*

Once a mutually agreed upon date and time is determined I will create a private registration page for event participants to register at. You will receive an email from me with the web address that you can forward in your invitations.

The Registration page includes class details, location and contact information, as well as map and directions.

Each individual guest (or the individual/organization responsible for paying for the event) can register directly on the private event registration page specifically for your party at the web address provided.

The registrations serve as the official headcount, and help in determining the supplies needed for your event.

You can continue to add registrants until you reach the maximum limit of 15 persons up to 2 days prior to the event date.

I will send the event organizer an email before the event registration deadline a list of registrants so that the event organizer can send out any reminders.

Again if you have any questions at all please do not hesitate to call me at [513-620-4722](tel:513-620-4722)
